

## OUR MISSION STATEMENT

*Baker County Democrats are your friends and neighbors in high-desert, far-eastern, rural Oregon, who are advocating for a society that works for all of us in this American democracy. We choose to persevere in an era of severe political division, guided by a vision of underlying unity and mutual high regard.*

## MONTHLY MEETINGS

Meetings are held the third Thursday of every month, at the Rogers Fellowship Hall, 1995 Fourth Street, Baker City, Oregon. Social time starts at 5:30 pm and the meeting begins at 6:00 pm.

*We propose an ongoing, comprehensive national debate and concerted effort to solve the major issues we confront as a nation and a world. To top the list, we are focused on overcoming stagnant wages and widespread poverty in the United States and on the international threat of climate change. Our specific proposal describes recommended solutions and our website broadens the discussion. We urge all our fellow citizens to be involved in the debate.*
